

Class Title: Epoxy Application to Furniture

Date: Dec. 12th

Time: 10-11 a.m. lecture on epoxy application basics for our monthly meeting. 11-4 p.m. audience participation and/or application of epoxy to projects. Lunch is not provided.

Where: Alaska Industrial Hardware Training Center at 2192 Viking Drive, Anchorage

Monthly Meeting and Class Description:

1. The format for this class is different than that of our other classes. The first hour will be our monthly meeting and Ron Werli from Eagle River Sawmill will give a free lecture to include the following topics:

- **Purchasing the wood for your project.** A brief discussing on preparing yourself to better insure the moisture content of your purchase is actually good to work with, don't just take the sellers word for it. Invest in a moisture meter.
- Cracks and splits provide places to add color to the project. Spalted woods enhance the natural beauty in you're project.
- **Preparation of your wood slab for epoxy**
- **The different brands of epoxies and the types of epoxies and their use.**
- **Sealing your wood.**
- **Sanding between coats of epoxy.**
- **Flood Coats.**
- **The steps to make the hi gloss finish, a matte finish**
- **Cure Time.**
- **Repairing scraches, dents and chips.**
- **Rubio Monocoat.** A high quality, easy to apply plant based hard wax wood finish.

2. From 11 to 4 p.m. students will either observe the epoxy application process, or will apply epoxy to their projects.

Age: 16 years and up

Number of Students: Attendance is restricted to 10 audience observation participants; and *to*, 4 additional students with actual projects.

Tools and Materials: All tools and materials will be supplied

**You must be an ACWA member to attend the class. Please sign up at:
www.alaskacreativewoodworkersclub.com.**

Cost: *Students who are observers will pay a \$30 registration fee. Those with projects will pay \$125 which includes all materials and tools.*

Cancellation Policy: Club membership is not refundable. Fees will be refunded on a case by case basis, or, if we can find someone to take the spot.
