

Coffee Table

Date: December 5th

Time: 10 to 4 p.m. Lunch is not provided.

Where: Alaska Industrial Hardware Store at 5655 Old Seward Hwy, Anchorage

Class Description: We will be constructing a coffee table out of wood. It will have a wooden apron that will have mortise and tenon joints at each corner. Two choices are available for the top—a flat top or live edge. The top will be then epoxied the following week at our monthly meeting. You must sign up as a participant if you want to apply epoxy to your table top.

Age: 16 and up

Number of Students: 4

Tools and Materials: All tools will be provided. You have the choice of selecting your own material for the top or oak will be provided. Please let us know what type of wood you'd like for the apron and legs.

You must be an ACWA member to attend the class. Please sign up at: www.alaskacreativewoodworkersclub.com.

Cost: Shop fee: \$20; Materials fee: to be determined; Instructor fee: \$50.

Cancellation Policy: Club membership is not refundable. Fees will be refunded on a case by case basis, or, if we can find someone to take the spot.
